

2008 Level 9 Western & Eastern Championships Number of Qualifiers per region

The total number of qualifiers per region per age division is listed below.

The TOP 6 per age division will be designated as the REGIONAL TEAM.

TIES for 6th will be broken to determine the Regional Team, using the highest event score.

The person who loses the tie-breaker will still be recognized at Regionals as tied for 6th, but will compete as an individual at East/West Championships (they will also be 1st alternate for their Regional Team).

If there is a tie for the last place to qualify, both (all tied) athletes will advance to the Eastern or Western Championships.
